DOCKET NO. 93-503-C - ORDER NO. 94-627

JUNE 29, 1994

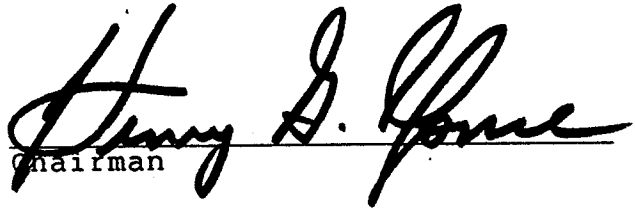

IN RE: Review of the Earnings, Rate of Return,) ORDER GRANTING
and Rates of Southern Bell Telephone &) MOTION FOR
Telegraph Company.) ADDITIONAL TIME
) TO RESPOND

This matter comes before the Public Service Commission of South Carolina (the Commission) on the Motion of BellSouth Telecommunications, Inc. DBA Southern Bell Telephone & Telegraph Company (Southern Bell) for an Order granting Southern Bell additional time in which to respond to the South Carolina Cable Television Association's (SCCTA's) Interrogatories and Request for Production of Documents. Southern Bell states that in order to respond to the discovery requests propounded by SCCTA, numerous Southern Bell employees and numerous business records must be reviewed. Because of this, Southern Bell believes that it can prepare and serve discovery responses by July 1, 1994, and so moves the Commission for an Order accordingly. According to the Motion, Southern Bell had discussed the matter with counsel for SCCTA, who had no objection to the extension.

The Commission has examined this matter and believes that the requested extension to respond to discovery requests to July 1, 1994 should be granted, in that, Southern Bell has shown good

cause for its request for extension, and SCCTA has no objections thereto. This Order shall remain in full force and effect until further Order of the Commission.
